MR. FLOYD E. BYRON
Principal

This is the age of rockets, missiles, and sputniks. We have launched our second yearbook into orbit. We know you'll enjoy it for many years. The Northern Light Staff and Printing Department have worked hard to produce this fine book. They hope you'll keep it for many years and treasure the memories it holds for you.

Floyd E. Byron

MRS. NAOMI M. MYERS
Elementary Principal

Dear Friends:

It is a real pleasure to wish each and everyone of you success and happiness in the years ahead, with a thought to help you find that happiness.

May we be willing to ignore what life owes us and really concentrate on what we owe life.

Naomi Myers

MR. JOHN D. PARR
Assistant Principal

It is our sincere hope that you will keep this Northern Light as a part of your permanent library. It is always nice to be able to look back on your years here at North Intermediate with fond memories, remembering your friends, both teachers and students, and the happy times you had here. I would like to wish the departing ninth graders every success is life and hope that each of you will have a long, happy and fruitful life.

John D. Parr

North Student Wins Scholarship

One of our ninth grade students, Bonnie Ferguson, was one of the two national winners of an eight-week Deacon Art Scholarship at Interlocken National Music Camp. Bonnie has studied with David Laasko, Merrill, and Mrs. Julia Roecker.

Student Council

The object of the Student Council is to give suggestions that will help the student body as a whole. The council is made up of presidents of various other councils and the captain of the regular monitors. Among the various projects which the Student Council worked on this year was the distribution of the posters for the March of Dimes. They also took charge of the noon dances.

Mr. Parr was the supervisor for the Council.

Vice Presidents Council

The Vice Presidents' Council, sponsored by Miss McKeage, worked on Junior Red Cross enrollment this year. Every home room was enrolled, but only the people who gave money were members of the Junior Red Cross.

The Junior Red Cross at North packed 70 gift boxes to send overseas. Mrs. Hausler's sewing classes made a dozen sock dolls and four pair of children's slippers for the Children's Hospital.

North sent two delegates to the Junior Red Cross Rally at Owosso on April 15, 1958. They were JoAnn Jonker and Margie Brauninger. The Council's president is Harry Lenick.

Presidents' Council

The Presidents' Council, which consists of the presidents of all home rooms, promotes good scholarship and citizenship at North. Carol Baldwin in the president of the council.

This year the Presidents' Council, sponsored by Mr. Parr, helped in the sale of tickets for the Northern Capers and worked on a top secret project for next fall.

Stamp Club

Philately, or stamp collecting, is one hobby followed zealously by some students at North School. Although at times it can prove expensive, there is a world of discovery waiting for the ardent stamp collector. The N. I. S. Stamp Club has sponsored several stamp auctions this year as well as a stamp display.

The officers of the Stamp Club, which meets every Tuesday noon in room 209, are President John Hansen, Vice President, Judith Denno, Secretary, Karen Hillman, and Treasurer, Ronald McCrea. The club's sponsor is Mr. J. Hayes.

Ninth Grade Volleyball Teams

This is the first year that North has had two ninth grade volleyball teams: the juniors and the seniors. Both teams played eight volleyball games. The Juniors tied for second place with South, and the Seniors tied for third place with Webber.

Mrs. Newberg coached both of these teams.

School Activities

Elementary Student Council

The Elementary Student Council at North consists of representatives from each room who meet every other week and before holidays to discuss safety and activities in their rooms.

The officers for this were President, Larry Schroeder; Vice-President, Robert Quick; Secretary, Betty Lagalo; Captain of Patrols, Robert Quick; Captain of Monitors, Sharon DeKett; Red Cross Representatives, Vicki Suppes, Marjorie Leppien; Fountain Checker, Susan Antle.

Room Representatives were Muriel Hausser, Judith Gamon, Bart Montiegal, Rusty Reimus, Linda Schroeder, and Sally Quick; Kindergarten; Sheryl Iler, Joanne Miller, Gwen McCormick, Susan Bayne, and David Paterson, First Grade; Cindy Iler, Fourth Grade; Mike Sager, Joy Rethman, Third Grade; Elaine Silver, Fourth Grade; Robert Chandler, Margaret Ivey, Fifth Grade; Keith Fahndrich, Sharon DeKett, Sixth Grade.

Elementary Junior Red Cross

The elementary representatives for the Junior Red Cross this year were Vicky Suppes and Marjorie Leppien. Vicky, our own president was also elected as the President of the Elementary Junior Red Cross City Council. Marjorie, our Vice-president, was chosen as the Co-chairman of the City Safety Committee.

Everyone has enjoyed working on the Red Cross articles for the holidays such as place mats and tray favors. The elementary rooms made 408 articles this year for the Junior Red Cross.

During the Red Cross drive the elementary rooms all enrolled 100 percent. The elementary rooms also filled 22 Junior Red Cross gift boxes which were greatly appreciated.

Presidents' Council

The Presidents' Council, which consists of the presidents of all home rooms, promotes good scholarship and citizenship at North. Carol Baldwin in the president of the council.

This year the Presidents' Council, sponsored by Mr. Parr, helped in the sale of tickets for the Northern Capers and worked on a top secret project for next fall.

Stamp Club

Philately, or stamp collecting, is one hobby followed zealously by some students at North School. Although at times it can prove expensive, there is a world of discovery waiting for the ardent stamp collector. The N. I. S. Stamp Club has sponsored several stamp auctions this year as well as a stamp display.

Nine-A Party

Approximately 300 ninth graders attended the 9-A party which was held in the boys' gymnasium on Tuesday, June 10. The party was sponsored by the ninth grade mothers and North School. Mrs. John Young was General Chairman as well as Banquet Chairman. Mr. and Mrs. Carl France were the Entertainment Committee Chairmen. The decorating was done by the ninth grade students.

After the dinner the Arthur Hill Orchestra provided music for dancing until 10:00 p. m.

Journalism

North's Journalism Class put out the papers which contained humor, homeroom news, sports, and various other articles. The class also planned and arranged the second yearbook. Both the paper and the yearbook are called *The Northern Light.*

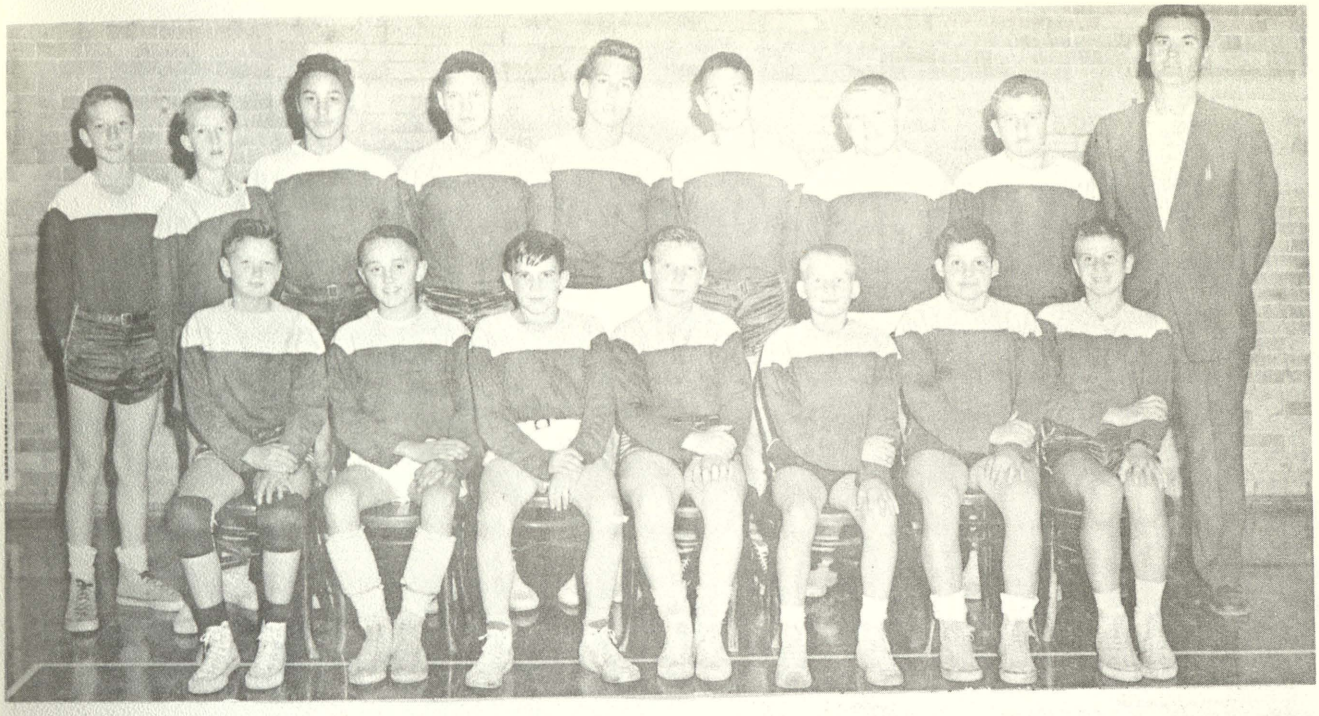
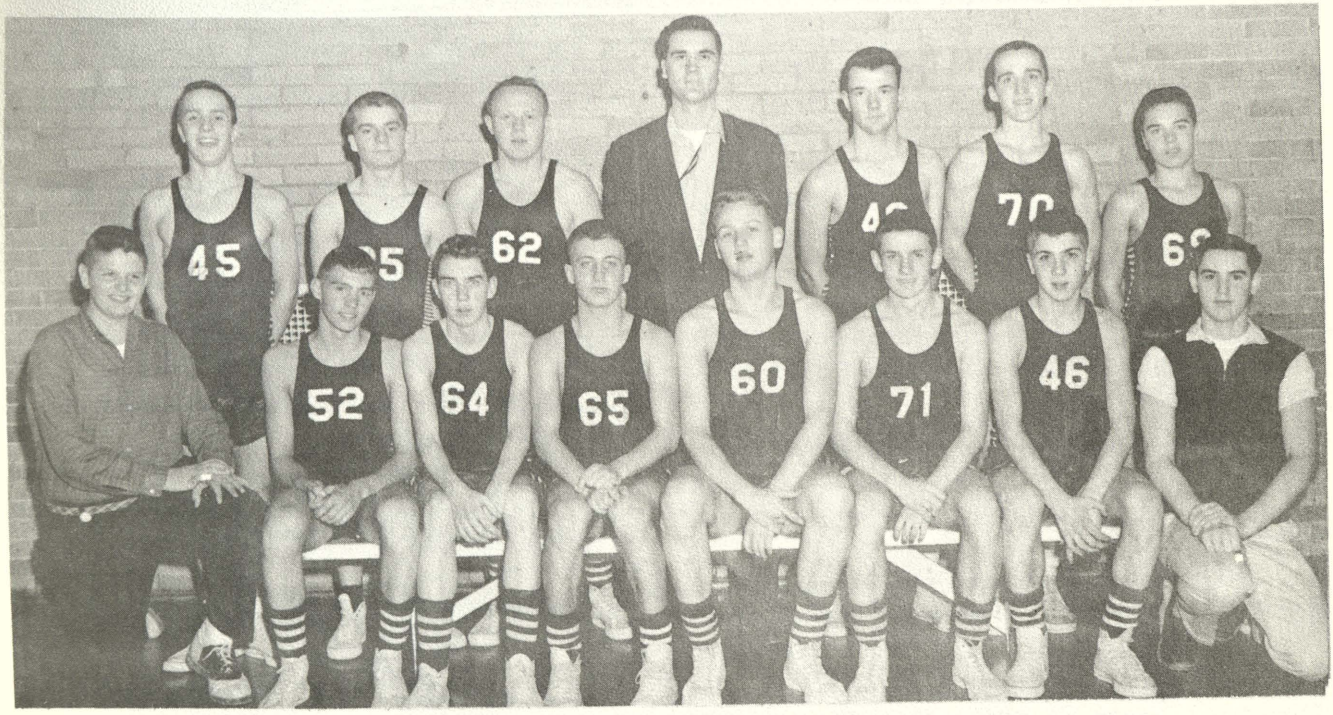
Ninth Grade Soccer Team

First Row: Barry Prim, Jim Diffel, Mike Hart, Jim Hooper, Dick Benjamin, Dave Bocker, Don Stimpson
Second Row: Gary Lawrence, Dave Jochen, John Butt, Randy Edewards, Jerry Calkins, Jack Anderson, Fred Whitmore, Gene Bauer, Coach Campbell
Third Row: Rodney Butler, Harry Davidson, Larry Dietzel, Ricky Jones, Ron Grigsby, Archie Stevens, Charles Glass, Harold Wurtzel



Eighth Grade Soccer Team

Bottom Row: Victor Weiner, Eric Bryant, Larry Lenick, John Harvey, Krekel Green, John Cox, Jim Hegler
Top Row: Mitchell Berlin, Tom Koehler, Carlos Verdusco, Kim Stemler, Jim McBride, Lyle Bublitz, Jim Bird, Lee Tietz, Coach Campbell



Senior Basketball Team

Bottom Row: Jerry Wenzel, Jim Hooper, Jerry Calkins, Fred Whitmore, Randy Edewards, Barry Prim, Dave Bocker, Gary Lawrence
Top Row: Mike Hart, Don Shuler. Gene Bauer, Mr. Campbell, Dave Jochen, Ron Grigsby, Bill Walker

Eighth Grade Basketball Team

Bottom Row: Jim Hegler, Jon Cox, Eric Bryant, Charles Bottke, Larry Lenick,
Middle Row: Charles Glass, Gary McDonald, Lee Tietz, Jim Schaper, Bill Denton, Kim Stemler, Coach Ben Donaghy
Top Row: Vaughn Edewards, Jim McBride, Ladd Baumann, Jim Yates, Tim Wilson, Tom Hill

North's Seniors won seven basketball games, lost three, and finished second place during the 1957-58 season.

Mr. Robert Campbell was their coach.

1957-58 Win Loss Record.

North 21, Webber 18
North 31, South 33
North 37, Lutheran Seminary 33
North 52, Arthur Eddy 20
North 26, Central 44
North 37, Webber 32
North 33, South 46
North 35, Arthur Hill 24
North 46, Arthur Eddy 12
North 36, Central 31

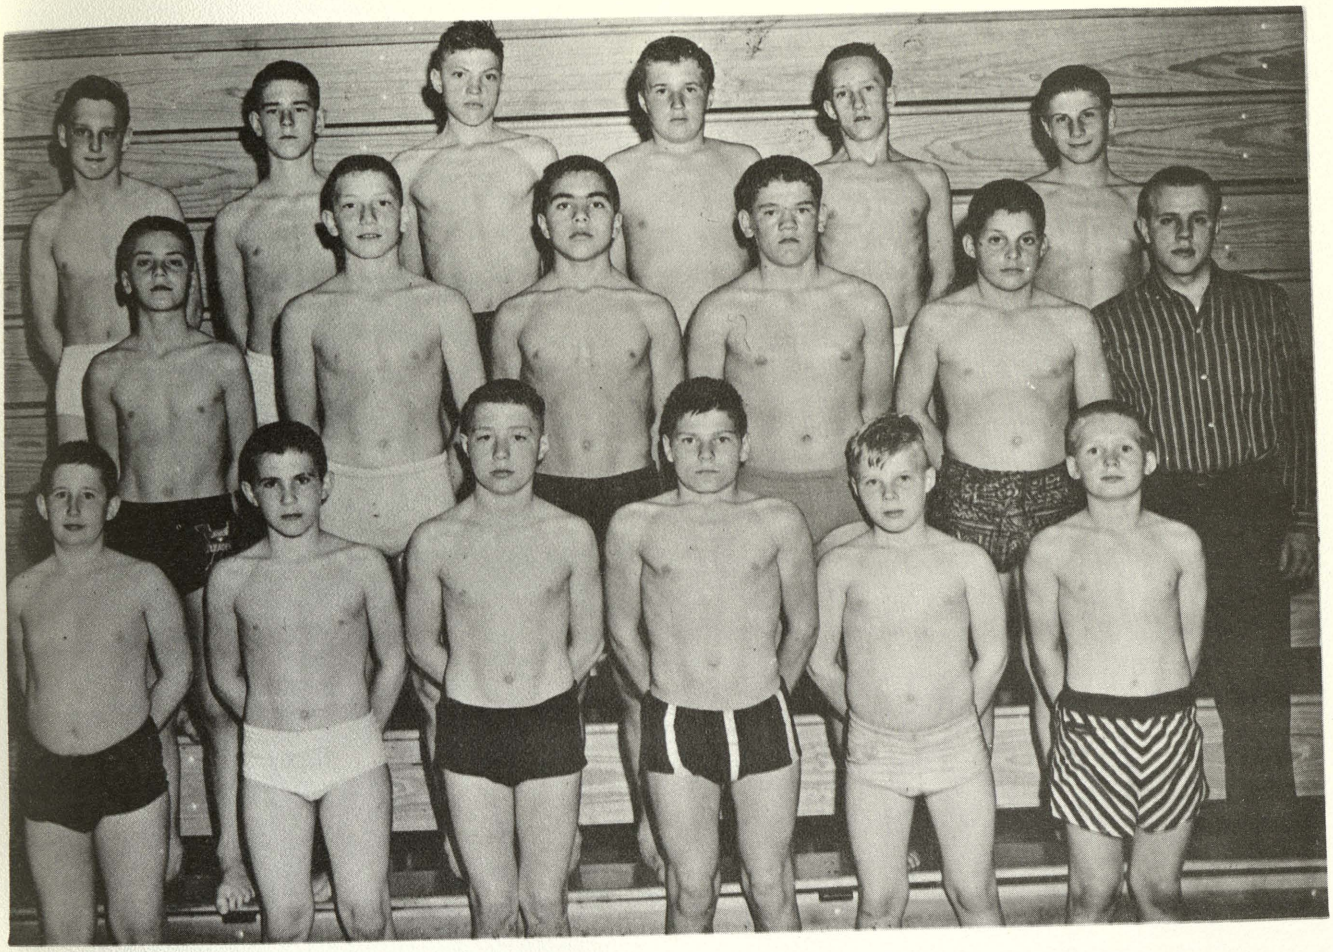
North's Juniors were less fortunate than the Seniors. They won only two games.

Mr. Benjamin Donaghy was the coach of the Junior Team.

The Soccer Team finished in third place winning two games, losing three, and tying one.

In the intramural basketball games the winners were as follows:

First Semester	Second Semester
9-114	9-114
8-122	8-201
7-138	7-138



Eighth Grade Swimming Team

First Row: Neil Brown, Larry Lenick, Tom Gozen, Jim Benjamin, Jim Wagner, Krekel Green.

Second Row: Frank Mason, Mitch Berlin, Jim Triant, John Garner, John Cox, Coach Wells.

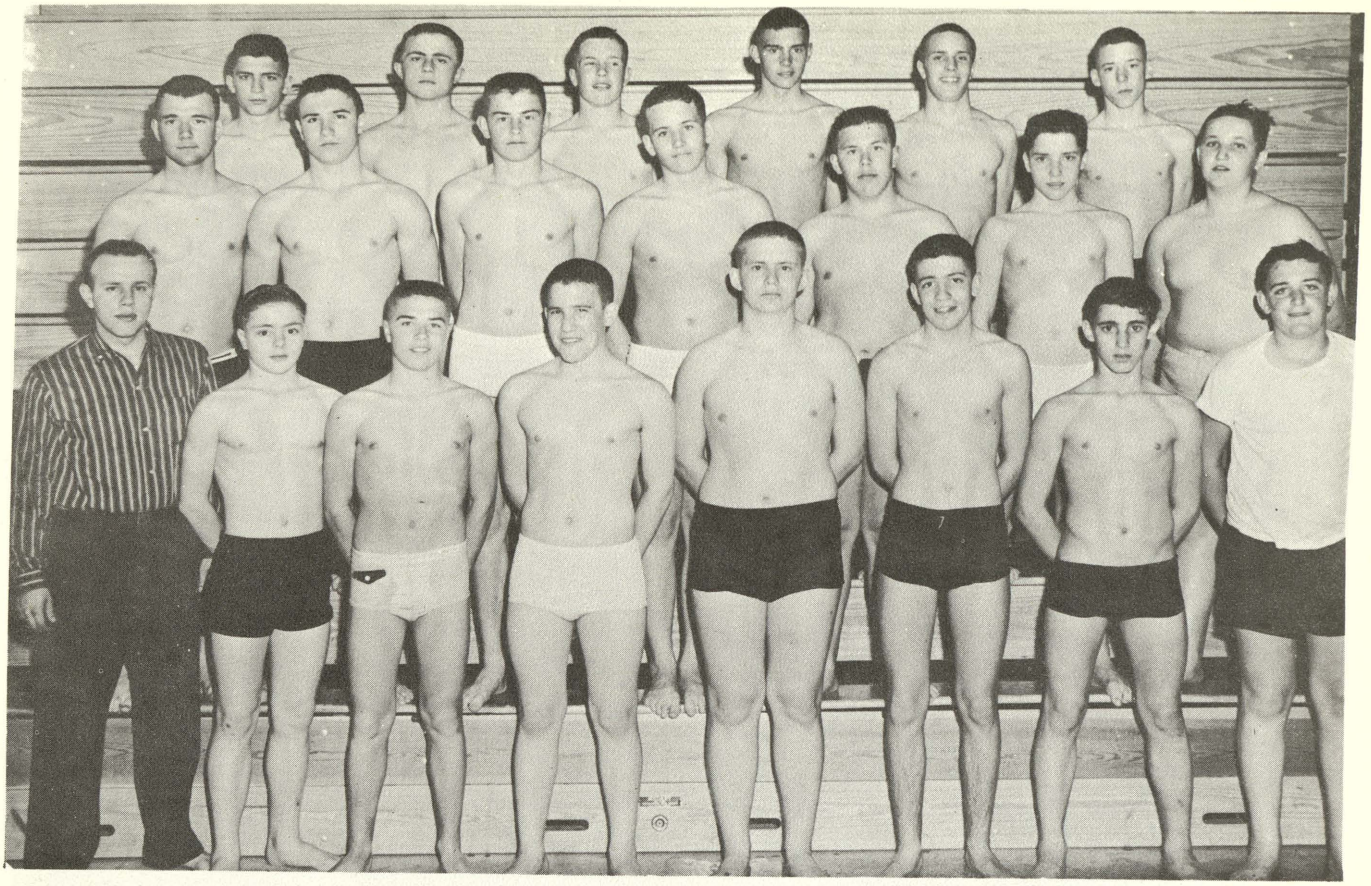
Third Row: Dave Finger, Jim Wilhelm, Norm Schankel, Dan Matthies, Tom Koehler, Jim Hegler.

Junior Division Champions

North's Juniors won the Junior Division of the 14th Annual Junior High Swimming meet with a final score of 48 to South's 39. The Juniors, under Coach Brendon Wells, were undefeated in all four swim meets.

First place winners on the junior team were Jim Wilhelm, Tom Koehler, Dave Finger, and John Cox. The junior record breaking relay race winners were Tom Koehler, Dave Finger, Tom Gosen, and Mitch Berlin.

Other firsts won in the Junior Division were: 50-yard freestyle–Jim Wilhelm, 50-yard backstroke—Tom Koehler, 75-yard freestyle—Jim Wilhelm, 50-yard breaststroke—Dave Finger, diving—John Cox.



Ninth Grade Swimming Team

First Row: Coach Wells, Bill Hemmer, Bill Walker, Harry Lenick, Norm Pagels, Sandy Kelley, Nick Paccione, Bill Hamlin.

Second Row: Dave Jochen, Joe Meininger, Don Stimpson, Larry Hazen, Ron Cottle, Jim Dieckman, Joe Leppein.

Third Row: Elliott Nover, Jim Diffel, Harry Davidson, Jim Hopper, Mike Hart, John Tallon.

Senior Division Champions

North's Seniors, who were undefeated in all four swim meets, won the Senior Division of the 14th Annual Junior High Swimming Meet. The Seniors, under Coach Brendon Wells, won with a score of 49 to South's 39.

The members of the winning senior team were Jim Hooper, Mike Hart, Don Stimpson, and Larry Hazen. In the senior 200-yard freestyle relay race Jim Hooper, Joe Meininger, John Talon, and Mike Hart broke the previous record when they won the race.

Other firsts won in the senior division were 50-yard freestyle—Jim Hooper, 50- yard backstroke—Larry Hazen, 100- yard freestyle— Mike Hart, diving—Nick Paccione, 75-yard individual medley —Don Stimpson.

The swimming trophies are displayed in North's trophy case.

North's Baseball Team

First Row: Ronald Stock, Ronald Fries, Harold Wurtzel, Robert Lytle, Art Noey, Tom Koehler, Jerry Harvey, Ron Clement, Harry Lenick, Donald Shuler.
Second Row: Vaughn Edewards, Francis McDougal, John Butt, James Schaper, Thomas Hill, Fred Whitmore, Barry Prim, Willard Schwalm, Jerry Calkins, Ken Bublitz, Gene Bauer, Richard Jones, Harold Shields, Charles Glass, William Rohn, Coach Donaghy.

North's Cheer Leaders

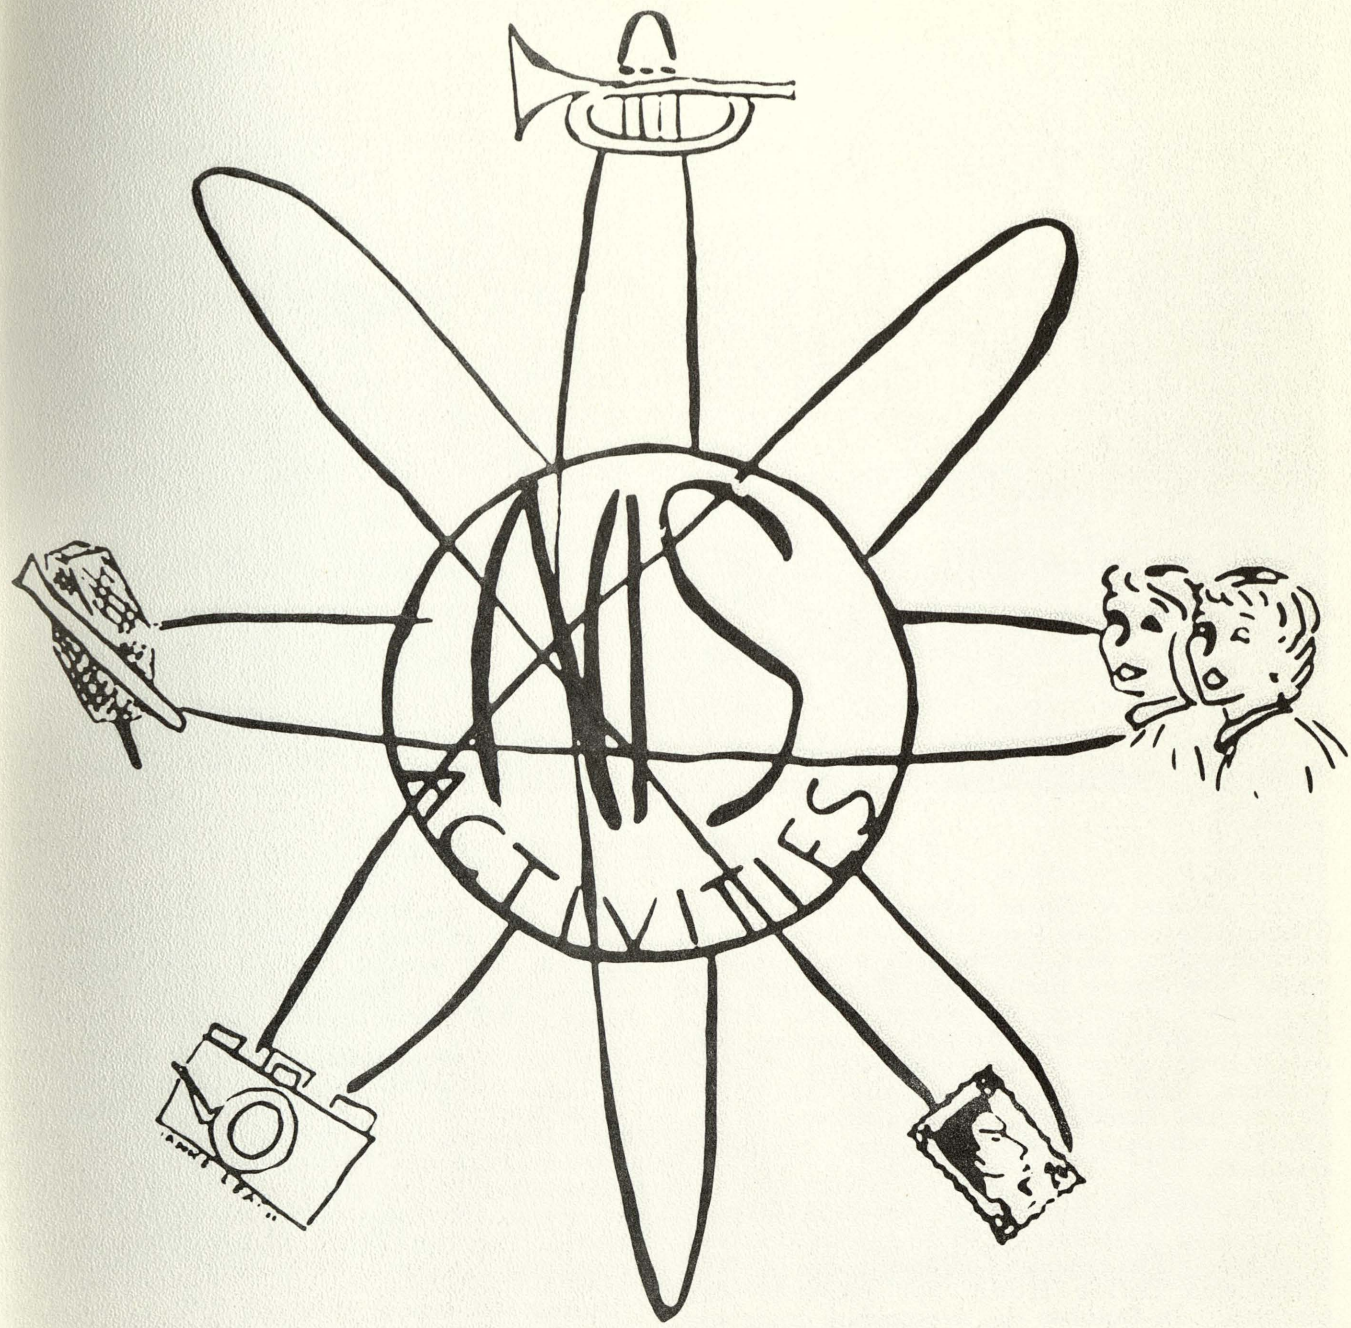
Top Row: Pat Wressell, Marsha Guldenzoph, Andrea Wazny, Sue Rice
Second Row: Pat Lundberg, Sharon Whitten, Mary Sue Garner

Ninth Grade Volleyball Team

First row; Martha Tucker, Pat Butterfield, Becky Gilles. Ellen Timmons, Sharon Reeve, Ardith Birnbaum, Dorothy Hubinger, Janet Adair.
Second row: Dorothy Newberg coach, Virginia Hoffman, Sandar Armstrong, Cynthia Phelps, Karen Karls, Marilyn Mohrhardt, Laetta Spangler, Diane Feldotte, Donna Shuler, Dawn Proux.
Third row: Joanne Schneider, Diane Quick, Elizabeth Ricica, Lorna Railling, Carole Baldwin, Prudence Otto, Jane Princing, Jacqueline Hartfelder.

Eighth Grade Volleyball Team

First row: Carol Clayton, Patricia Corrad, Sally Filiatraut, Sandra Kasper, Connie Grigsby, Barbara A. Byron, Joyce Bolster, Carol Hartfelder.
Second row: Judy Dietzel, Judy Warner, Janet Moessner, Sandra Arnot, Mary Chartrand, Mona Waters, Shirley Shafer, Margaret Cansfield, Dorothy Newberg coach.
Third row: Edna Adams, Carol Magyar, Penny Nickle, Geneva Hughes, Janice Butler, Sharon Minard, Connie Kitzman, Marsha Snelling.



ACTIVITIES

Parent-Teacher Executive Board

The officers of North Intermediate's Parent-Teacher Association for the 1957-58 school year were president, Mrs. Ralph Whatley; vice-presidents, Mrs. James Koinis, Mr. John Parr, and Mr. Robert Paterson; secretaries, Mrs. Arthur Noey and Mrs. Robert Paterson; treasurer, Mrs, John Grunow; historian, Mrs. Fred Verhey; advisors, Mrs. Naomi Myers and Mr. Floyd Byron. The Executive Board consisted of the officers, advisors, and twenty-one committee members.

At the first meeting of the year the teachers presented a melodrama, "In the Good Ole Nick of Time." This was followed by a "Get Acquainted Coffee Hour" for parents and teachers. In October the symposium topic was "A Curriculum Designed for Modern Living."

A Halloween party was co-sponsored by the P.T.A. for North's students in October.

The first open house was held in November; the second, in April. At the December meeting both parents and teachers were entertained by a Christmas program presented by the students of the auditorium and vocal music classes. The P. T. A. held their annual card party in January and in February enjoyed a Founders' Day smorgasbord. The speaker was Mr. John Fisher from the University of Michigan who spoke of "Challenges to Education in This Twentieth Century."

Fathers' Night was held in March. During this meeting the Youth Talent Exhibit was on display. The speaker, Dr. William Farquhar, a Michigan State University professor, discussed "Education, a Modern Neurosis." An afternoon meeting was held on April 24 during which the board entertained the mothers of the prospective kindergarteners at a tea. The installation of officers took place during the regular April meeting.

During the school year the P. T. A. provided cocoa for the Safety Squad and the Patrol Boys, established a student-aid fund, gave awards to the rooms with the winning room counts at P. T. A. and the highest percentages of P. T. A. memberships, and honored the teachers with refreshments at the end of the school year.

The P. T. A. also presented the school with a jungle gym for the kindergarten and a television set for the junior high students.

Science Quiz Winners

North's Stock Pilers were the science quiz winners of the first semester and appeared T. V. The second semester North's Missing Links won the science quiz trophy for a two week period for North and appeared on T. V. twice.

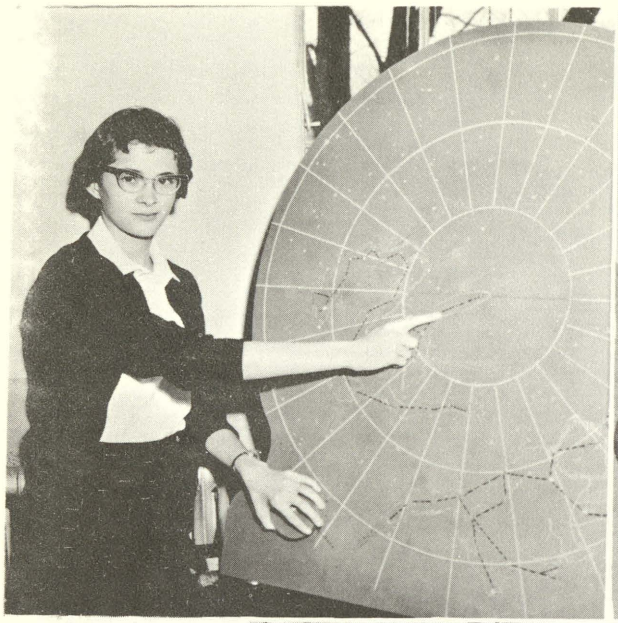
The contestants for the Tri-County Science Quiz for junior high students are selected on the basis of written examinations which are submitted to a member of the American Chemical Society in Midland. The actual match consists of two parts. The first part consists of 20-point questions. Each team is given four or five 20-point questions as time permits. If the teams answer the questions correctly they receive the 20 points, but if they miss they get nothing. In the second part the teams have a choice of 10, 20, or 30 point questions. This gives the team that is behind a chance to gain points.

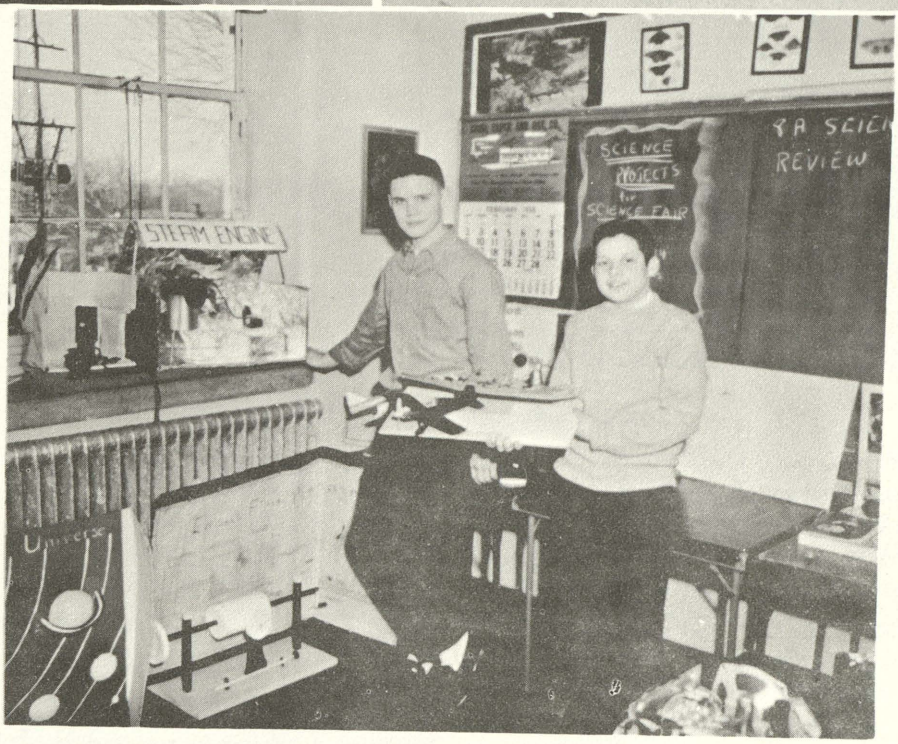
Each team consists of two ninth graders, one eighth grader, and one seventh grader.

The science quiz teams for the first semester were as follows: Stock Pilers: Captain Henry Wuckert, Janice Foale, Clifford Priest, Lee Alden, Fission Fagens: Captain Howard Bean, John Hansen, Gayle Richman, Jim Benjamin; Radium Rascals: Captain Joanne Schnieder, Glen Hertz, Thomas Fruk, Robert Trew; Neurotic Northites: Captain Janice Leach, Elliot Nover, David Johnston, Edward Timm.

During the second semester North had the following teams.

Vanguard Raiders: Captain John Hansen, Elna Jameson, Elloit Nover, Thomas Fruk; Sauceraniens: Captain Joanne Schneider, Henry Wuckert, Glen Hertz, Richard Michaels; D. D. T's: Captain, Gayle Richman, Howard Bean, Edward Timm, Lynn Pritchard; Missing Links: Captain David Johnston, Lee Alden, Janice Leach, Robert Trew.





Science Fair

North's first entry in the Science Fair was very successful. Dorothy Hubinger won second place with her "Patterns in the Sky" in the Saginaw Science Fair. Henry Dvorsek captured the fourth place with "My Butterflies." Both Dorothy and Henry were guest exhibitors at the First Annual Tri-County Science Fair.

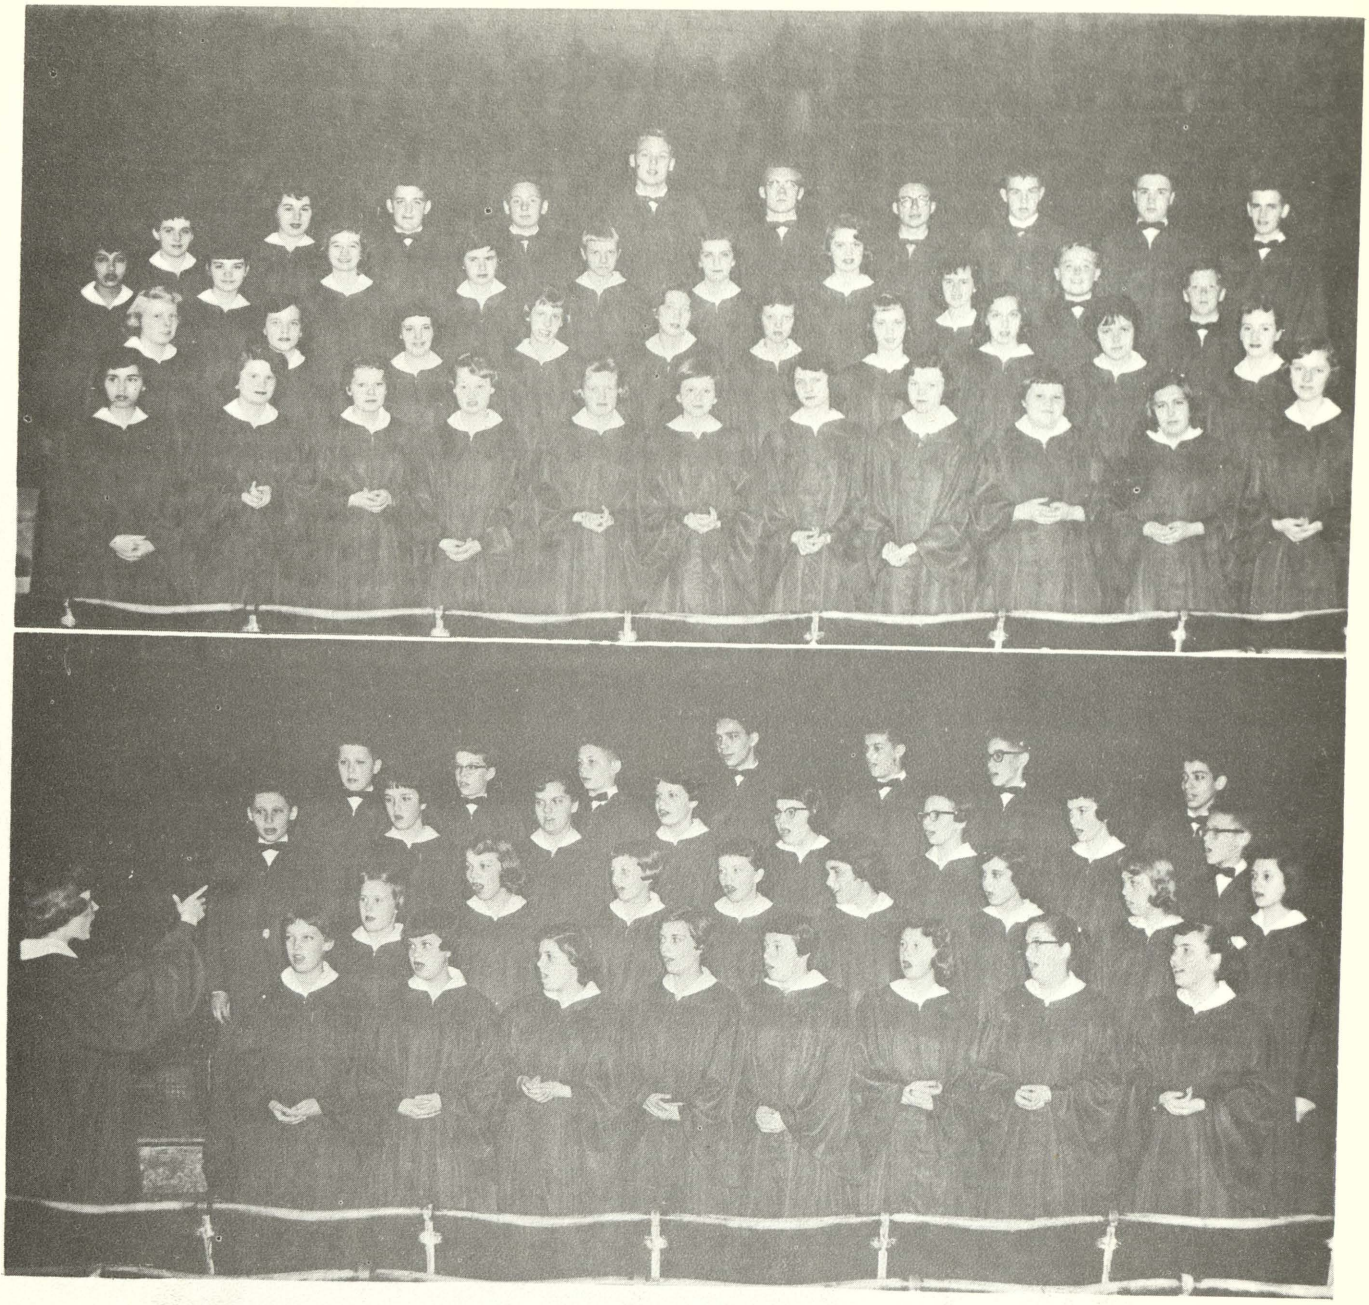
A special award from Chevrolet Transmission for the best mechanical exhibit was won by Ruben Schultz with his "Schultz Crane."

Kenneth Eurich and Joanne Schneider each won honorable mention in the Saginaw Science Fair. Joanne constructed a "Mercurial Barometer" and Kenneth built a "Mississippi Steamboat."

Both science teachers, Miss Meyer and Mr. Glynn, sponsored fair entries. A total of twenty-nine projects were entered. A high percentage of North's students won blue ribbons.

Instrumental Music Department

The Instrumental Music Department is under the direction of Mr. Somerville. The Concert Orchestra has 49 members. The Concert Band has a membership of 62. Both organizations play for numerous school assemblies. The Band and Orchestra present a combined formal concert each semester. Each year the Orchestra presents an Elementary Concert for all the schools surrounding North. The Band uses for its spring project the Memorial Day Parade. This year the Band is very proud of its new uniforms.



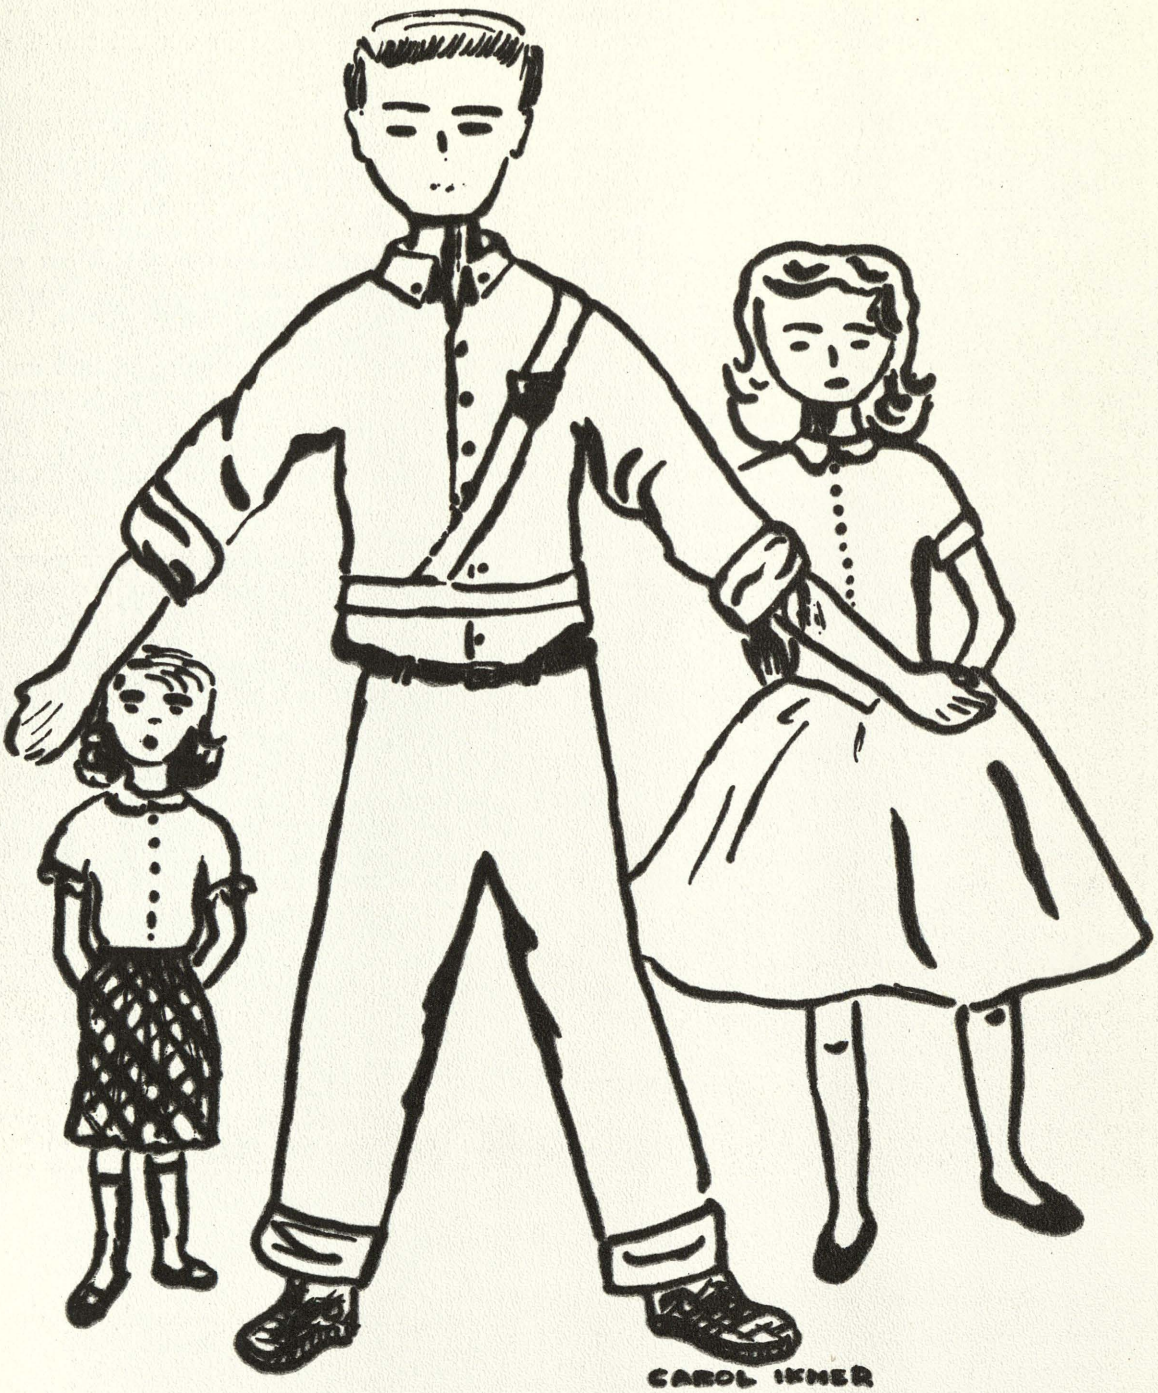
Vocal Music Department

The Vocal Music Department, under the direction of Mrs. Figg, consists of the Ninth Grade Choir, Eighth Grade Choruses, the Girl's Glee Club (made up of seventh, eighth, and ninth grade girls), and the Clef Climbers. The Girl's Glee Club and the Clef Climber meet at noon.

On Thursday, March 27, 1958, the Eighth Grade Chorus sang at the Warren Avenue Presbyterian Church for a Lenten service. Monday, May 31, 1958, the Clef Climbers sang for the teachers' spring dinner.

The Ninth Grade Choir and the Eighth Grade Choruses with North's Orchestra, which is directed by Mr. Somerville, presented the Spring Concert on May 9.

The eighth and ninth grades participated in the Spring Festival, which was presented by a mass group of junior and senior choruses singing together, held on May 21, 1958, at the Saginaw Auditorium.



CAROL IKNER

Elementary Activities

Kindergarten—Room 136

From the first day of kindergarten much time was spent in general habit formation. This was the foundation of a happy, livable kindergarten.

One of the first means of establishing this was a trip through the building learning how to conduct ourselves at the drinking fountains, how to be quiet in the halls, as others were working.

Good work habits which involved sharing, taking turns, finishing jobs which were started, getting ready at clean up time, and listening attentively while others were talking were a part of the overall program.

Our centers of interest during the year were "The Home," train, boats, pets, circus people, circus animals, sewing, making scrap books, making things with clay and wood, making pictures with crayons and easel paint. There was much building with blocks and dramatic play in connection with these activities.

Most of the year we had forty to forty-three boys and girls in each group. There was too little space for working, games or resting.

The children showed fine growth in citizenship, building their vocabularies, learning self-control, self-reliance and independence in the formation of work habits.

First Grade—Room 117

Our year in first grade was both busy and enjoyable. We had many new interests opened to us resulting from our newly acquired ability to read and write.

Along with this work we had interesting units on pets, farm, holidays, and the circus. For this last unit we presented the "Big Top." Many happy and exciting moments were experienced in both preparation and presentation.

Our spring activities included such interests as birds, animals in spring, flowers, and plant growth.

First Grade—Room 125

We had a busy and enjoyable year. Science has been fun and interesting to us in first grade.

We had a unit on pets. We brought our pets to school and went to visit some pets, which helped in our studies. We had a pet show and wrote stories about our pets.

At Christmas time we had a Gift Store and made Christmas gifts. We made scrap books, clay candle holders, ash trays, wreaths and many other gifts.

We entertained our mothers in the fall. We had fun making our decorations. We gave Miss Vanderslice, our extern from Michigan State University, a gift. We had a program and served coffee and cookies.

We planted seeds in milk cartons. We had lots of fun watching them grow. We found out many interesting things about plants and what they need. We took our plants home and planted them in the garden.

We have enjoyed working and playing with our friends.

Second Grade—Room 116

Our room has done many interesting things year. We have studied trains, boats, dinosaurs firemen, policemen, the bakery, and the dairy. We went on a train trip to Bay City and stayed there for lunch. We also visited the fire station, the bakery, and dairy.

We have read many interesting books and stories. Our favorite book was "Winnie-the-Pooh."

Second and Third Grades—Room 115

We began our year by taking an imaginary plane trip. We brought in many kinds of planes. We made planes and an airport. Then we studied other methods of transportation. We had a display showing many types of boats, trains, and cars.

We studied about Indians and had an interesting collection of Indian pictures, arrow heads, bead work, baskets and jewelrey. We made drums, pottery, clothing, and many Indian designs. We also learned an Indian dance.

Grade Three—Room 212

Third grade had a good time this year learning about pioneer life in America. We realized how much we owed to the pioneers of this country. We learned about the many hardships that they endured and about how their lives were filled with dangers at all times. We enjoyed making dried apples, apple jelly, apple sauce, butter, and "hasty pudding." Many of the children learned to knit and crochet. They made things that were usable and attractive.

We are all happy to be Americans to enjoy our freedoms and opportunities which would never have been possible if it had not been for the brave pioneers who came here and started this country.

Along with many other things of interest this year was the sending up of the Russian Sputnik. This really stimulated a greater interest in science. We put collections of pictures into a scrapbook to save for future use. We also had a question box where we deposited questions we wanted discussed in our science work. Of course this required more reading and studying We tried to improve in our reading and really learn how to do some critical thinking. This was a big challenge to us all.

Fourth Grade Room—208

In Mrs. Vogel's room we took imaginary trips around the world. We spent the first semester in Africa, in the Jungle Lands, and deserts. Then we went to the mountainous countries of Switzerland, Norway, and Japan. During the second semester we found out about the Eskimos and their country and the people of the Netherlands. We found that people all over the world have interesting ways of living and working and playing.

We had a room newspaper and also a library corner. We were interested in reading about people in other lands.

Elementary Activities

Fourth and Fifth Grades—Room 218

The fourth and fifth grades became very aware of the problems and accomplishments of the space age. We made a scale diagram of the early conquests of space. The need for a thorough knowledge of arithmetic was stressed so that there will be continous achievements. Everyone worked arithmetic at his own speed. In this way, no one was held back nor felt undue pressure.

We became acquainted with and read many fine books. We made a trip to Hoyt Library to see their unusual collection of foreign books and dolls, which enhanced our social studies.

We also learned how to withdraw books from the public libraries.

The class enjoyed music and was proud of its skill in two part singing. Dramatizations were given and marionettes were made in the spring.

Fifth Grade—Room 217

In 1957 and '58 the fifth grade was busy with figures. Knowing the multiplication tables was a must in order to do long division. Fractions were fun, and the boys and girls enjoyed them.

We've lived in Michigan all our lives but didn't know until this year what a wonderful state we have. We learned about oil, lumbering, iron, and copper in Michigan as well as in the United States. We also studied about the automotive industry and its famous people.

All of us liked to write stories and read them. Some good story writers were found.

In science we found out about sound and made musical instruments. Then we became interested in simple machines. Of course everyone was interested in Sputnik, Muttnik, and missiles.

We enjoyed fifth grade and learned a lot from it.

Sixth Grade—Room 118

In science we studied airplanes, rockets, missiles, jets, and planets. We also enjoyed studying about the earth and its changes.

We studied South America, the British Isles, and Asia.

We had a puppet play called "Yu Lan, Flying Boy of China."

Sixth Grade—Room 213

The sixth grade in Mrs. Barnoske's room has been different this year because half of the pupils came from Fuerbringer School. They have enjoyed being at North and will continue here in junior high.

We've enjoyed arithmetic very much this year and understand it better than ever.

Science leaders have led discussions and planned experiments on different topics, and these students have become our sources, or authorities, on that particular subject. We learned about the history of numbers and writing.

Junior Red Cross work has been fun and we enjoyed making potato prints and unusual backgrounds for our bulletin board.

Vicki Suppes was President of our N. I. S. Junior Red Cross and was also chosen to be President of the City Junior Red Cross. She was Captain of Elementary Monitors the first semester. Robert Quick was Captain of the Elementary Patrols the second semester.

Many of the boys played with the North Hawks, a basketball team that went to the finals.

We expect to send an annual, as a surprise gift, to a member of our group who moved away.

This has been a pleasant year, and the children have grown in accepting responsibility.

Elementary Patrol Boys

There were 34 members on our patrol this year. Mrs. Wells was in charge of the patrol boys and had a group of fine capable boys working for her.

The captain for the first semester was Larry Schroeder and for the second semester Robert Quick. There were also four fine lieutenants working with the boys.

Officer Ed came and visited the boys at one of their meetings. He talked to them about safety and complimented them on the fine job they were doing.

The patrol boys are stationed on street corners around the school grounds and had their posts changed every month.

When the weather was cold, the P. T. A. was kind enough to furnish the boys with hot chocolate in the mornings before they went to their classes.

Elementary Service Squad

The twenty-three members of the Elementary Service Squad (Monitors) kept the halls and stairways clean, quiet, and safe. They also checked the drinking fountains to see that they were clean and in good working order. For the first semester Vicki Suppes was the captain with Betty Lagalo as her lieutenant. Sharon DeKett was the captain the second semester with Diane Berger as her lieutenant.

In addition a group of eight dependable girls left early every day to walk the kindergarten children home. These girls were Sandra Scherping Sylvia Holmgren, Brenda Collins, Sandra Massman, Carol Douglas, Diane Engel, Betty Lagalo, and Pam Griewank.

Mrs. Vogel was the sponsor for the Elementary Service Squad this year.

Camera Club

The Camera Club is a group of Northites interested in picture taking, developing pictures, and using cameras correctly. Their main project of the year was the photo contest. This year marks the second year for the Camera Club.

The president of the club is Lynn Pritchard; other officers are treasurer, Diane Vitale and secretary, Donna Schuler.

In the spring the club sponsored a photo contest. Both students and faculty were judges of the contest.

Mr. Glynn was the advsior of the club.
